

SPRING/SUMMER

# KIDS PARTY PROJECT OPTIONS

All projects will measure approximately 4"x4"

1

## Elf

This is a hand building project where the participant will use pinch pot techniques to make a jolly elf.

2

## Mythological Creatures

Always a favorite project for kids!  
Using hand building techniques, participants will create something out of their imagination.

3

## Monsters!

By turning a pinch pot on its side, participants will make monsters. Will they have teeth, horns or even a snake tongue?

4

## Animal Pinch Pots

A popular workshop for the Spring/Summer. They'll create a pinch pot planter to resemble their favorite animal-real or imaginary!
